Corinne Olympios

Dear Ms. Olympios,

We at RedTube have been following your amazing journey to find love on The Bachelor and have rooted for you the whole way through.

We would now like to officially offer you the rare opportunity to star in an exclusive RedTube production, showcasing your beauty and infectious sensuality to millions of fans around the world.

Your unapologetic sexuality and charisma has piqued the interest of our 20 million-plus visitors to the site, and our hope is that with this production, we can show admirers everywhere what Nick Viall lost out on.

This one-scene deal (compensated at \$100,000) would allow you to showcase your "platinum" potential with an adult star partner of your choosing.

With much respect to your personal and private life, please let us know if you would be interested in taking us up on this offer.

Best regards,
